ORACLE HOSPITALITY OPERA CLOUD MOBILE GUEST EXPERIENCE

OSBC
YOUR INTEGRATION PARTNER
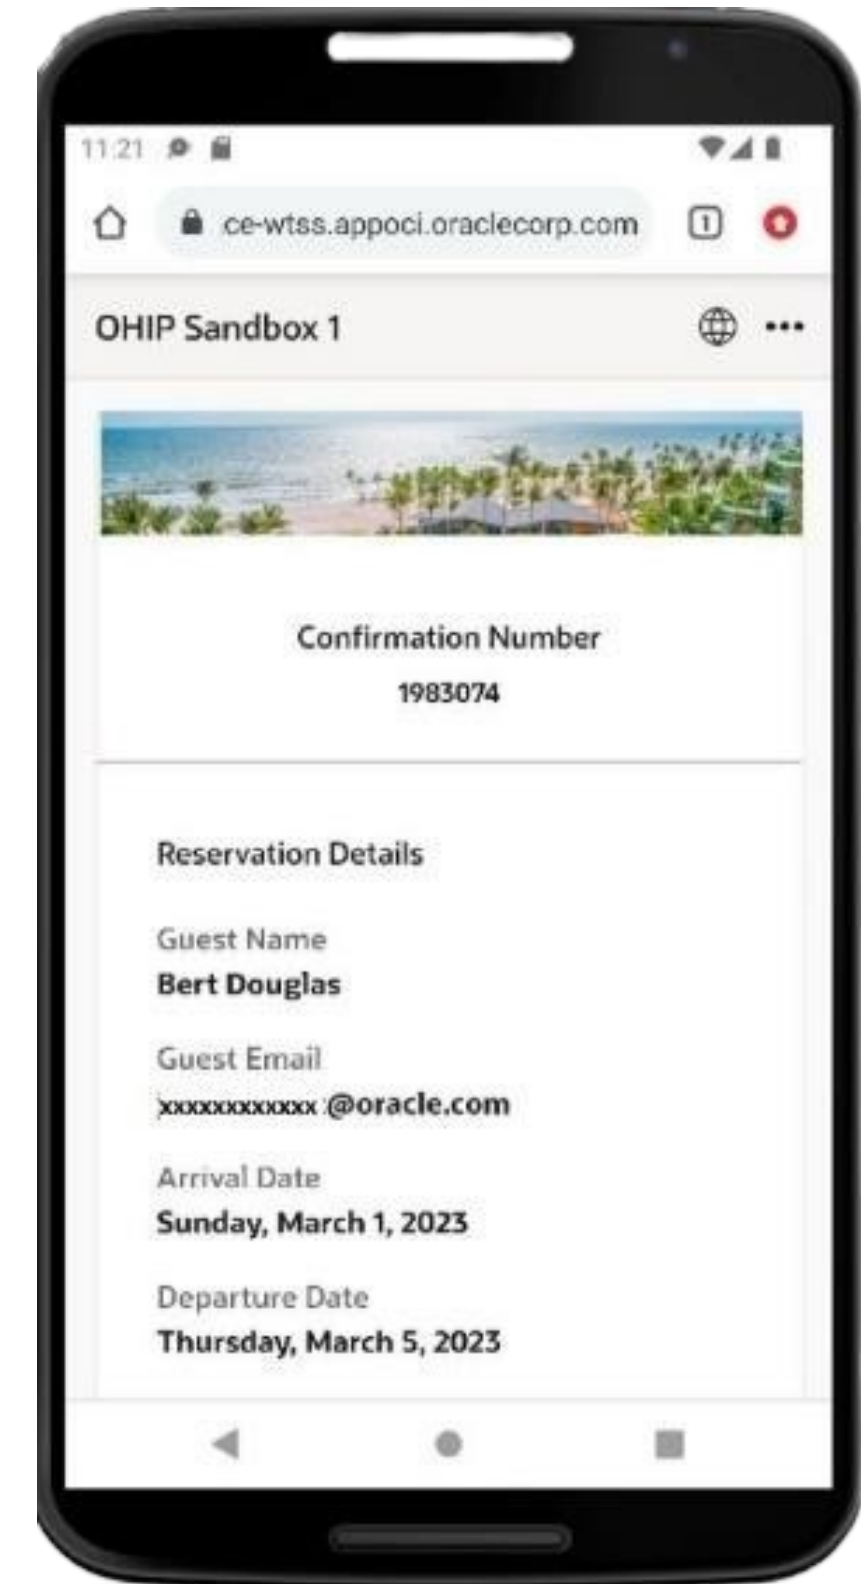

ORACLE | Partner

✓ Pre-arrival guest engagement

A secure link lets guests check their reservation, update personal information and address details, and review hotel information.

✓ Customizable

Easily add your own branding and custom welcome message. You can include information that must be completed at preregistration and any policies.

✓ Nor1 Upsell Offers

Present targeted and confirmed Nor1 room upsell offers within the mobile guest journey and generate incremental revenue for your hotel.

ORACLE HOSPITALITY OPERA CLOUD MOBILE GUEST EXPERIENCE

✓ Benefits for guests

Guests can complete arrival tasks in advance, including adding address details and accompanying guests, and review reservation details to ensure they have the best experience.

✓ Benefits for hotels

Reduce check-in times and address staffing needs at the front desk to improve service for arriving guests.
